A Message From Patti

Dear friends of CWTC,

As we are entering the fall season and we head into baseball playoffs and college and NFL football seasons, we think about what makes up a great team. A team is made up of many different members, each with their unique talents. A team also needs a support system to back it up. We are so grateful here at CWTC that we have so many valuable types of support.

During our annual dinner and awards banquet this year we were fortunate to be able to recognize those in the community that support us in a variety of ways. We have those that support us financially, those that support us socially, by offering opportunities for our consumers, those that support us by providing intellectual/informational support and those that provide us community support. It takes all of these people to help build a strong foundation to assist individuals with disabilities in becoming as independent as possible.

Thank you to all who work together to support the team at CWTC and assist us in providing quality services to adults with disabilities.

Thanks for all you do!

Patti Gratton
