A Message From Patti

Dear friends of CWTC,

Wow, what an interesting month we have had in January! Snow, more snow, cold temperatures, ice, a lunar eclipse and much more!! As we endure cabin fever and dream of warmer weather we can TRY to be a little productive. Here at CWTC we will be working on our strategic plan, succession planning, ideas for our garden, thoughts for expanding our consumer art program and planning for our 60th anniversary as a business in 2020!

Even though we are a not for profit organization we still need to work on the business functions of our organization and make sure we are planning for the future needs of our consumers and the community. The staff and board of directors will be getting our heads together to discuss infrastructure issues (think new parking lot and new roof!), creative ideas for services for our consumers and celebration ideas for our 60th anniversary next year.

Stay warm and thank you for your support of CWTC!!!!

Consumer Spotlight

Ted is in the Consumer Spotlight this month! After working at CWTC and developing his employment skills, Ted decided he wanted to work with CWTC's Community Employment Services program. With his Placement Counselor, they began searching for a job that he would enjoy and where he could apply his abilities and strengths. Advance Medical Transport was a perfect fit. His work ethic, attention to detail, and love of people have made this job ideal for Ted. He loves the opportunity to be a part of the AMT team.
