

The CWTC Insider

A Message From Patti

Dear friends of CWTC,

Sometimes, wouldn't we all like to be stranded on that proverbial island? Alone, no one to bother us, and have some quiet time. I'm pretty sure we have all been there at some point. In reality, we really do need each other, we need a support team. We need those that will partner with us to improve our lives.

In September at our annual Pathway Awards Dinner and Auction we recognize those community partners that support us throughout the year and assist us in providing quality programs and services to the individuals we serve at CWTC. However, the highlight of the evening is watching the joy on the faces of our consumers when they win awards for their achievements. We would encourage you to come and join us that evening for some truly inspirational stories. If you have attended our event in the past thank you and we look forward to seeing you again. If you have not been with us before, I encourage you to attend, interact with our consumers, see their joy and learn more about the wonderful folks that encourage us on a daily basis.

Come see why it's better not to be out there on an island alone!

All my best,

Patti Gratton
