HOST A FUNDRAISING EVENT!

Community Workshop & Training Center, Inc. is a 100% local Central Illinois not-for-profit organization that has been serving adults with disabilities in

our community since 1960. Through the years we have partnered up with local businesses, community organizations and individuals to raise awareness and much needed funds to support the very special people we serve. If you are interested in hosting an event to benefit CWTC, please contact Rick Stephenson at rstephen-son@cwtc.org or call (309) 686-3300 for more information.

VOLUNTEER

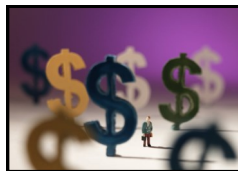

CWTC is always looking for volunteers in the areas of basic skills, computer knowledge, arts and crafts, gardening, and music. We would love to have you give us a few hours a week to enhance the services that our individuals are already receiving.

CWTC's fundraising events require volunteers to assist with setup and tear down as well as help during the actual event. Event day help consists of finalizing decor, working check-in and the silent auction tables and assisting with guest services. We are grateful to the Central Illinois community for ensuring that our events are fully staffed with volunteers so our guests receive the best possible experience.

EVENT SPONSORSHIPS

Becoming an event sponsor not only provides much-needed funding to CWTC's programs and services but it also provides wonderful branding opportunities for your business or organization. Sponsors receive pre- and post-event recognition on collateral and press materials, on-site logo branding and placement on the CWTC website and Facebook page. Each event offers a unique experience for not only the guests but for our wonderful sponsors as well.

EVENT ATTENDANCE/PARTICIPATION

Of course, you send a strong message by attending or participating in any, or all, of our fundraising opportunities. Whether it's taking part in CWTC's Annual Pathway Awards & Dinner in September, the Super Trivia Challenge in January or one of our community events made possible by generous community businesses, your participation is key. Time is the most valuable asset you can give and serves an endorsement of our programs and services for our consumers. It is a vote of confidence and assurance for our adults with disabilities that the road ahead is backed by your love and support. Nothing motivates accomplishment more than encouragement.

ESTATE PLANNING

Leave a legacy to CWTC. A planned gift can be as simple as naming CWTC as a beneficiary in your will, trust, IRA, or insurance policy. Consult with your financial advisor to come up with the best strategies for leaving a legacy that helps to ensure CWTC will continue providing services to adults with disabilities for many years to come.
