

The CWTC Insider

A Message From Patti

Hello to all CWTC friends,

Well, hasn't this been an interesting few weeks. Yes, it really has only been only 6 weeks. How our lives have turned upside down. It is fascinating what we miss from the shut down; Starbucks, dinner out with friends, going to a movie, getting our hair done, etc.! What is also interesting is that we realize we can really do without "stuff". As we all know, what is really important is the health and safety of our family, friends, co-workers etc.

CWTC has been conducting business as an "essential business" and maintaining regular business hours. Our awesome staff have really stepped up to the plate and are helping out in areas that are out of their norm. Our consumers that live in our group homes are at home 24/7. The staff have been remarkable about making sure our residents are staying safe and healthy and entertained!

Now is the time that we need to dig deep, support one another, support our community and just be there for each other. As the calendar turns to another month of "stay at home" remember, we can get through this together.

Here are some things you can do to help: send a care package to someone who can not get out, lend out books, support your local businesses that are open, buy coffee for the person behind you in line, donate to your food bank or local charities, support your local churches (remember they still have bills to pay and are not getting weekly donations), call a friend, set up regular ZOOM calls with family and friends. We need now more than ever to focus on friends, family and community.

Stay safe and healthy!!

My best,

Patti Gratton
