A Message From Patti

Dear friends of CWTC,

Obviously, the holidays are going to look a little different this year and just like everything else in 2020, maybe this will give us some opportunities to discover some new adventures. Usually, when we have Thanksgiving lunch here at CWTC with the consumers, I share an inspirational story with them. Today, I would like to share some inspirational quotes with you, and maybe they will make us go – hmmmm!

“Be thankful for what you have; you’ll end up having more. If you concentrate on what you don’t have, you will never, ever have enough.” - Oprah Winfrey

“We must find the time to stop and thank the people who make a difference in our lives.” - John F. Kennedy

“Give thanks for a little, and you will find a lot.” - Hausa Proverb

“What if, today, we were grateful for everything?” - Charlie Brown

Many blessings to you and your family and friends. Whether you are together through Zoom, in person, FaceTime or however, you choose to spend your holidays, be thankful and grateful for all you have.

Stay safe and healthy!!

Patti Gratton

CWTC Artists Paint A Plow!

CWTC continued our 60th Anniversary celebration giving back to the community by “Painting A Plow” earlier today in the CWTC parking lot.

The city of Peoria Public Works Paint a Plow program allows Peoria organizations to paint a Peoria Public Works snowplow blade with messages of winter, snow and ice safety, City or community pride or patriotism. CWTC Inspiring Artist program consumers Shanika and Jeff painted the metal canvas, in collaboration with the Peoria Art Guild and Jody Tockes

from the Hive providing oversight and instruction. The project was made possible through

the Peoria Art Guild's Community Arts Grant.

The blades will be mounted to a plow truck and used to fight snow and winter weather. Look for ours, hopefully, not too soon!
