

## LIVE - WORK - GROW

Issue 70 | April 2021

### A Message from Patti

Dear friends of CWTC,

If April showers bring May flowers. What does April snow bring? Just when we thought Spring was here, mother nature said – not so fast! Additionally, just when we thought we were making progress and trying to get back to some “normalcy” with COVID, we start taking a few steps backwards. What we can learn from this is to be prepared for the unexpected.

Peoria Magazines dedicates their May issue to human service organizations. We are grateful to them for highlighting the important work and economic impact of the human services sector in the central Illinois area. There is an article in this issue written by the Human Services Collaborative, a network of agencies that provide crucial, unique, and significant services to the Greater Peoria area. The article focuses on, The Top 10 Silver Linings for the Human Service Sector in Our New Normal. I encourage everyone to take a few minutes to read and absorb the information in this article. Also, you will find information about many organizations in the magazine and resources available to our area.

We at CWTC are proud to be a part of the solution in assisting members of our community to improve their well-being and be productive citizens.

Thank you for your continued support and do not hesitate to reach out to us for assistance.

All my best,

**Patti**

### Consumer Spotlight

Mark has lived at our Pekin community living facility since 1985. Since moving to the CLF, he has gained many skills necessary for independent living. He is very proud of his most recent accomplishment of learning the names and side effects of his medications. Mark has a community job doing janitorial work through TCRC's Community Employment Program for over two years. He is an excellent worker and rarely misses a day of work! Mark is a big fan of the Green Bay Packers and the St Louis Cardinals. He is a very devoted Christian and loves his church family.

## Need employees that make a difference!?
