A Message from Patti

Dear friends of CWTC,

Looking forward to November I was thinking about what are we thankful/grateful for? As I write this today, I realize how appreciative I am for the sunshine! The sunshine has a way of brightening our moods. What are some other items that we can give thanks for?

I know I am grateful for co-workers that I can count on every day to provide quality programs to our adults with disabilities. Every year in November, we recognize the longevity of our employees and their commitment to our mission. This year we have 66 staff that have been with CWTC five plus years, included in those 66, thirty of those employees have been here for over 20 years!! I am thankful that we have people that care, make others feel good, want to make a difference and are helping to change the community in which we live.

As we all reflect on our blessings, let's be grateful for the big and little things. We have all been through many challenges over the past 18 months, yet there are still so many things we need to appreciate. Let's celebrate - laughter, family, friends, your fur-babies, long weekends (or retirement!), a good book, your favorite food, etc. As you see, we could go on and on!!

Thank YOU for your support of CWTC!!

All my best,

Patti

Consumer Spotlight

Eric moved to our Chillicothe residential facility and began working at CWTC in September of 2020. Eric enjoys helping others at home and has been working on becoming more independent in his daily life. He enjoys walking and spending time with his family. In fact, he and his brother enjoy going to local car shows together. Eric has a smile for everyone and is enjoying life to the fullest.
