

LIVE - WORK - GROW

The CWTC Insider

Issue 80 | March 2022

A Message from Patti

Dear friends of CWTC,

In April I will be celebrating 35 years at CWTC. Yes, I started here when I was 5 years old if you are doing the math!! All kidding aside, I have spent the majority of my work life right here at CWTC. We have all learned over the past few years that things do not stay the same and we need to be able to adapt. Boy have I learned that over the past 35 years!

Overcoming obstacles takes collaboration and teamwork. I have been fortunate to work with an amazing group of people. We have over 30 staff members that have been with our organization for over 20 years, and I am thankful that I have been able to work along side of them for so many years. Working at an organization like ours you discover what is important – it's always about the people. It's about supporting our individuals with disabilities and helping them grow and reach their full potential. The mission of CWTC is why so many staff members, including myself, have been here for so long.

The stories we could tell!! We have experiences that have made us laugh, cry, ponder, and made us go hmmm. Everyday is a new adventure and filled with learning experiences. Our consumers have taught me so much and allowed me to continue to grow with them.

I would like to invite you to come and visit us, take a tour, meet our awesome consumers and dedicated staff, and let us share some of our truly inspiring stories.

All my best,

Patti

Consumer Spotlight

Gavin is in our Consumer Spotlight. He is a member of our janitorial crew at CWTC and on federal contracts. His position has helped him grow, become more self-confident while providing him a stable income. Gavin recently graduated from Washington Community High School and immediately started his own sound and lighting business, G² Sound & Lighting, to pursue his dream of

eventually working in theater lighting and lighting design. Gavin enjoys playing Rocket League, listening to music, watching high school sports, and attending sporting events.

Save the Date!
