

THE CWTC INSIDER

Creating a Pathway to Independence!

Issue 81 | April 2022

A Message from Patti

Dear friends of CWTC,

I hesitate to say this but, is Spring really here? We have definitely had April showers (and wind and cold), but I definitely think they are bringing May flowers! The days are getting longer and yes believe it or not, I think we are seeing warmer temperatures. It is time to renew and rediscover.

Since CWTC is a local not for profit, we like to encourage you to support local – not just us, but other community entities. I was thinking about all the great regional locations to get out and support now that the weather is finally warming up a bit. Here are some ideas – take a hike and view the animals at Wildlife Prairie Park, there is a petting zoo and farm animals at Fon Du Lac Farm Park, visit Mackinaw Valley Vineyards, play golf, buy from our neighbors at the farmers markets, eat at Lou's Drive-In, and just explore your local community.

CWTC is a local business and provides economic impact to our central Illinois economy and there are so many other businesses that make our area a great place to live. So, my suggestion is that we all get out, enjoy our area, learn something new about where we live and be a part of our community. The weather is improving and we need to stop hibernating and enjoy!

Happy exploring everyone!

Patti

Consumer Spotlight

Tonya is in this month's Consumer Spotlight! Tonya works on the Caterpillar contract and began at CWTC in April 2000, moving up to Organizational Employment in

2003. She lives with her mom and dad, along with her cat "Vader" (as in Darth) and dog Riley. When she's not playing with them, chances are you'll find Tonya painting or drawing; an interest she picked up in CWTC's Inspiring Abilities Art program. She loves to watch Disney movies and collects postcards and stamps. The postcard Tonya hopes to get someday, is the one she buys on Main Street in Walt Disney World.
