We appreciate the continued support of CWTC and our consumers by our community partners. Thank you for all you do!

My best,

Patti

Consumer Spotlight!

Kris is in the community spotlight this month! Kris has worked at CWTC since 2002 and, earlier this month, was one of the recipients of our Rising to Success Awards, given at the Pathway Awards Dinner for achievement and perseverance toward her stated goals. She has increased her work skills, stays focused and follows directions. Kris has also made great improvements with her mobility, allowing her better access to the community. She loves animals, especially cats, and likes to volunteer at SAMS. Kris appreciates art and likes to paint, and with a huge bead collection at home, makes necklaces and bracelets. She also enjoys going bowling, shopping, and going out to eat.

Live & Learn in the Community!

Consumers have been gaining knowledge of our community and accessing some of the great opportunities we enjoy in Central Illinois. Whether it's visiting the local library, Peoria Riverfront Museum or volunteering for cleanup on the Rock Island Trail, they're enjoying being a productive and valued member of the community. Recently they visited the Central Illinois Emergency Expo at the Shoppes at Grand Prairie, as local emergency response agencies from around the area answered questions and displayed some of their emergency equipment.

Keep Informed Together!

We've got so much going on at CWTC including tours, volunteering, outings and our new video! We share lots of information, photos and events on our social media sites including Facebook, Twitter, Instagram, You Tube and
