A Message from Patti

Dear friends of CWTC,

We have almost made it through the month of January and are staring February in the face. Why should we embrace February? Each day, we are one day closer to spring – we get a few more minutes of daylight each day!! Did you know that there is a day for just about everything?? February 2nd is Tater Tot Day, the 9th is Pizza Day, February 18th is National Drink Wine Day and the 23rd is Banana Bread Day! Now these are some things to look forward to.

If we look hard enough, we can find **SOMETHING** positive to focus on. We have reached 2 full years of dealing with the pandemic and it is sometimes difficult to be upbeat. I myself have those days. But as you can see above, we might need to just celebrate the simple things in life.

So, once again I am going to challenge you – what can you do? Here are some ideas – pay it forward (buy someone coffee or a donut), send a thank you note to a teacher, a nurse, or any essential worker, support your local businesses, adopt a pet from a shelter, or just say thank you to someone.

We all have our good days and not such good days but try to make someone else's day just a bit better. Random acts of kindness go a long way. February is a short month – let's celebrate it by doing one good deed every day!

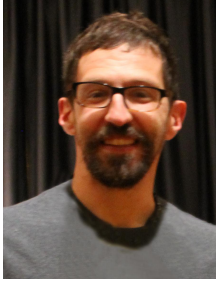

Here's to tater tots, pizza, wine, banana bread and the hope that spring will be here soon!!

My best,

Patti
