A Message from Patti

Dear friends of CWTC,

One of the things we hear frequently from visitors when we give tours of CWTC is, "I had no idea." Yes, it is important to go about our daily business and mission with little fanfare, however it is also important to let the community know how we are available to support the needs of our area.

If you have never visited CWTC, we would like to invite you for a tour to find out about all the amazing things that go on here on a day-to-day basis. If you have visited us, please extend an invitation to a friend, neighbor or colleague to come visit. Word of mouth is one of the best ways to spread news! Other ways to keep up with what is going on at CWTC is to follow us on social media. See the links at the end of the newsletter.

We have many great success stories to share! Come visit and spread the word!! Please contact me directly – pgratton@cwtc.org

My best,

Patti

Staff on the Move!

Amy Suprunowski has recently entered into the Marketing and Events Coordinator position at CWTC. She is no stranger to the company though, having worked at our Twin Oaks residential facility for over 15 years, and has literally grown up and with the company over that time. Many of the consumers she has worked with she considers family, and now she is growing and expanding her experience once again. She has planned activities, events and parties before, both professionally

and personally. Now it's on a newer and larger level/scale. She is happily a mother to 2 children and a cat. She enjoys reading, movies, music, fashion, shoes, art, nature, cookies, sushi, an everyday cup of coffee (or two) and an occasional glass of wine (or two).
