

THE CWTC INSIDER

Creating a Pathway to Independence!

Issue 87 | October 2022

A Message from Patti

Dear friends of CWTC,

Every year in November, we recognize the longevity of our employees at CWTC. This year we have 64 of our 110 employees that have been with us for 5 years or more. We are so excited to celebrate their tenure with us. We would like to thank them for their dedication to CWTC and the consumers we serve. It is because of their commitment to our mission that CWTC has been so successful in building a pathway to independence for adults with disabilities.

There has been so much focus over the past few years regarding the "great resignation" and the inability to find quality employees. We too struggle to fill open positions just like every other business. In the midst of our struggles, sometimes we forget to be thankful for the blessings of our long-term employees.

We are also very grateful for our newer employees that have decided to make a difference in the lives of consumers and hope they will continue to build a future with our organization. As we celebrate the tenure of our employees, we need to continue to look forward and plan for new opportunities and embrace the dedication of all our employees.
